

# Accent Decor Dropship Program

## WHY DROPSHIP?

Our dropship program allows you to sell Accent Decor products directly from your website without needing to warehouse inventory or ship orders yourself. It's a great way to offer new products to your customers while minimizing inventory commitment and overhead.

## CAN I OPT IN TO THE DROPSHIP PROGRAM?

All customers are eligible to opt in to the dropship program. You can do so by filling out [this web form >>](#)

## HOW OUR DROPSHIP PROGRAM WORKS:

- Dropship item pricing is higher than standard wholesale pricing. This pricing reflects the added flexibility of the dropship program, including no minimum order requirement and no hidden fees.
- Some items are not available for dropship because they may be too heavy or too fragile for this program.
- All dropship orders must be submitted via EDI, automatic order import, or through our website.
- Once you've joined the dropship program, your account has been updated, and you're logged in, you will see only dropship-eligible items and their corresponding pricing.
- Accent Decor products may not be sold on 3rd party websites including, but not limited to, Amazon, Target, Walmart, or Etsy, etc.
- Our customers are welcome to use any product imagery available on our website. **Here is a link >>** for directions on how to best use these images.
- Dropship products can only be sold/shipped in the pack quantities stated on each item's product page. The product page will state "this item is available to buy in increments of (qty)". Be sure to account for this when selecting items to offer on your website for dropshipping and display/price them accordingly.

## SHIPPING

- Shipping for dropship orders must be charged to your own 3rd party shipping account. A FedEx account is preferred, but a UPS account is also permitted. Daily pickups at our warehouses occur Monday through Friday to accommodate shipments. *\*Standard freight rates listed on the Accent Decor website do not apply to dropship orders.*
- Dropshipping is only available to the 48 contiguous states.

## RETURNS

- Accent Decor customers will handle all returns and customer support with their end consumers directly.
- For claims, Accent Decor customers need to fill out the claims form on the Accent Decor website.
